

VLAD

VLAD系列·維拉德系列·該系列設計為布料後翻式設計·將服裝剪裁的設計手法理念引入座椅設計之中·營造溫暖家居的設計感覺·VLAD采用德國BOCK進口底盤·同時兼具前傾和後仰的功能·讓“科學化”與“人性化”的坐姿巧妙地和諧統一在一起。

VLAD series, Willard series, this series is designed as a fabric flip-back design, which introduces the design concept of clothing tailoring into the seat design, creating a warm home design feeling. VLAD adopts German BOCK imported chassis, and simultaneously has the functions of leaning forward and leaning back, so that the "scientific" and "humanized" sitting postures are subtly and harmoniously unified.

VLAD是一張具有人體工學設計的椅子·腰靠升降功能·自反饋彈力腰靠調節·幫助使用者減低壓力。

VLAD is a chair with ergonomic design, with a waist lift function and a self-feedback elastic waist adjustment to help users reduce stress.
