

COSY SERIES
多姿系列
designed by Vilia Jin

当今的办公空间越来越注重隐私性与灵活性，Cosy 系列产品可以灵活分割空间，为喧闹的办公空间创造了一个可以专注办公的私密环境，为灵活办公创造了更多可能性，圆角的软包设计可为办公空间增添柔性元素，使严肃的办公环境更加柔和。

Today's office space is increasingly focused on privacy and flexibility, Cosy series of products can flexibly divide space, for noisy office space to create a focus on the office of the private environment, for flexible office to create more possibilities. The rounded soft pack design adds a flexible element to the office space and softens the serious office environment.
