

LOTUS SERIES

designed by Vincenzo Vinci & Alex Chai

Lotus series are inspired by the lotus leaves of the West Lake. Wendy has studied in China Academy of Art located by the West Lake. She has special preference to the West Lake, so she pinned the memory of her college time on the Lotus Series.

Lotus coffee table, the organic shape found in nature, we got the inspiration in lotus leaf, they grown layer after layer. This expression became the most beautiful scenery in summer. This extraordinary table, composed in different shapes, sizes and heights. The larger one can be concealed under the small ones, just like a natural eclipse.

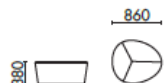

With excellent durability and corrosion resistance, powder coatings become the best choice for outdoor metal furniture. They can also be used in office furniture considering its outstanding advantages in coating. With the continuous innovation of coating technology, the application of powder coatings is being extended to the field of heat sensitive and thermo sensitive materials such as wood, glass, and plastic and semi-insulating materials.

NAME
Lotus Pouf / S
TYPE
LOT-SF-02S
DIMENSIONS
W560 D560 H420

MATERIAL
Consist of plywood and high resilience sponge

NAME
Lotus Pouf / M
TYPE
LOT-SF-02M
DIMENSIONS
W860 D760 H380

MATERIAL
Consist of plywood and high resilience sponge

NAME
Lotus Pouf / L
TYPE
LOT-SF-02L
DIMENSIONS
W1360 D1190 H340

MATERIAL
Consist of plywood and high resilience sponge

NAME
Lotus Coffee Table / S
TYPE
Lotus Coffee Table / S
DIMENSIONS
W575 D560 H455

MATERIAL
Tabletop is made of ash / Base is made of 25mm round steel tube.

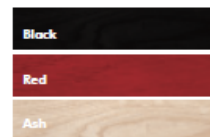

NAME
Lotus Coffee Table / M
TYPE
LOT-TB-02M
DIMENSIONS
W860 D750 H380

MATERIAL
Tabletop is made of ash / Base is made of 25mm round steel tube.
